1/ INTRODUCTION

1.1/ Uneven economic growth held back by population growth

1.2/ Demographic versus economic growth

2 - THE RISE OF AFRICA

2.1 - Africa: a growing global influence

2.2 - A plural continent, but common challenges

3 - A CONTRASTING EMERGENCE: THE EXAMPLE OF NIGERIA

3.1/ Nigeria: a lower-middle-level economy in search of diversification

3.2/ Nigeria, a dual economy: in the face of the considerable importance of informal work and the public sector, the emergence of a large-scale entrepreneurial sector

3.3/ Aliko Dangote, Africa's largest entrepreneur: from conglomerate to multinational company
